

## **ACTION ALERT FROM THE STATE DEMOCRATIC EXECUTIVE COMMITTEE.**

SD 16 Concerned Democrats:

The SDEC Legislative Affairs Committee is calling on all Democratic Party activists, precinct chairs, club members, and other local and state officials to contact their networks, constituents, friends and fellow activists to spread these tools below to enable as many folks as possible to take action against the bad voter suppression bills that are advancing through the Texas House and Senate. We won't go down without a fight. The media is starting to notice. Hopefully, it is not too late to make a difference.

This is an *"all-hands-on-deck"* moment where we need a full mobilization effort by literally everyone in the next two weeks to defeat HB 6 and SB 7, not to mention all the other bad voter suppression bills. SB 7 has passed the Senate, but HB 6 is waiting for a floor vote in the House. Texas Democratic Party voter protection staff has developed a "call tool" to help folks call their state representative. The voter protection team has also created a "toolkit" with suggested talking points, social media posts and graphics. *Check out these tools by clicking on the links in the action item below.* Help us spread the word to beat back these terrible bills by stirring up a whirlwind of opposition.

**Action Item:** Please call your networks to action against HB 6.

- - Encourage the people you have influence with to call their State Representative to oppose HB 6 (e.g., post on their own social media, send to their lists or list-servs, etc.);

- The call tool is available at this link: <https://p2a.co/EVYdsyj>
- Toolkit with suggested talking points, social media posts and graphics: <https://txdem.co/hb6-sb7-lege-toolkit>
- Sign up for The Voting Record to learn the latest about the fight: <https://txdem.co/tvr2021>

- [Provide written testimony against a House Bill](#) if you can't come to testify in person against the remaining bad suppression bills.

Thank you in advance for all you're already doing !
